Hi Aram! Hope all is well.

I was wondering if you would be able to give us an update on the Medians at our EHBID Board meeting on Tuesday. See e-mail from Carlos below. Our Board is eager to see where we are and figure out next steps. We definitely want to make sure we understand where we are in the process especially since we know you are leaving at the end of the month! You will surely be missed.

Hope all is well!

Hi Nicole,

I will be out of the office on the 20th but I can report that CD 13 has tentatively identified the necessary funding to complete the last two islands. I am in communication with them to make the final arrangements. If I have any additional information to add before the 20th, I will let you know.

Thanks

Carlos
